

New Holidays

This is a verbal challenge, you will have one minute to decide who will participate in the solution of the challenge. It is the decision of the team how many team members will participate. Your one-minute begins now.

Challenge: You must three new holidays to be celebrated in the new millennium and present them to the judges. Your presentation must include what each holiday will commemorate, who will celebrate it (USA or worldwide), how it will be celebrated, when it will celebrated and present a verbal "greeting" card.

Scene: You are the president of a greeting card company and you want to boost sales by adding some additional holidays.

Directions: You will have a total of 6 minutes to complete this challenge (including your presentation to the judges).

Scoring:

20 points each	Overall creativity of each holiday
15 points each	Creativity of verbal greeting card
20 points (total)	Overall quality of presentation to judges
20 points	Teamwork
